

Pollinator Patch

Why it Matters?

Earning the pollinator patch will teach you about pollinators and how you can help them. Pollinators have many benefits and help our food but unfortunately, they are becoming endangered.

All levels do all activities

01 Color or draw different pollinators.

02 Do some research about pollinators and what they do.

03 Make a pollinator habitat for you own yard.

04 Take a walk and look for spaces and things that benefit from pollinators.

05 Share with others how to protect pollinators.
