\_\_\_\_ This camper's cookie sale goal is to sell 1,200 boxes of Girl Scout Cookies to earn **Camp Credits** valued at \$350. She is planning to use her Camp Credits to pay for her 2024 summer overnight camp experience. Most week-long sessions are \$350 plus Kentucky sales tax. Three-day sessions are less than \$350 and the recipient can choose to come to more than one session or use part of her credits for a buddy or an adult for the My Favorite Gal session. For sessions more than \$350 the difference will need to be paid or covered with Cookie Dollars. Once you have earned the Camp Credits your deposit will be refunded less any balance due including sales tax. If unable to meet the Camp Credits Requirements the deposit will be applied to the balance. I understand the Camp Credits expire September 30, 2024.

\_\_\_\_ This camper's cookie sale goal is to earn \_\_\_\_\_ in **Cookie Dollars**. She is planning to use these Cookie Dollars to help pay a portion of her summer camp fee for 2024. Cookie Dollars cannot be used for a deposit, only for the balance.

If my daughter does not earn the above Camp Credits or Cookie Dollars by April 1, 2024, I know that I am financially responsible for the full amount due by May 1, 2024.
