Directions: Use this form when applying for Service Unit Booth Sale.

Service Unit-sponsored booth sales - these are booth sales in your service unit that are not found on the Council-Sponsored list. The Cookie Manager in that Service Unit will coordinate and schedule these. The Service Unit's booth locations are handled in a variety of ways. Most have a first come, first serve basis for booth reservation or a lottery system. Requests for these must be sent to the Service Unit Cookie Manager where the business location is for approval.
