## The Plus Club

### *Troop/Group Leader Recruitment Incentive*

The Plus Club is for those registered Girl Scout adults who have recruited volunteers to be leaders. You have performed a great service for girls by recruiting their leader, and you are deserving of special recognition.

Recruiting one leader entitles you to join the Plus Club and wear the plus pin on your uniform. Recruiting five (5) leaders entitles you to add the numeral five (5) to your plus and so forth in five number increments. Your five (5) pin must be turned in when you receive your ten (10) pin, etc. Keeping track of number of leaders recruited is the responsibility of the recruiter.

To be a member of the Plus Club and/or receive numeral pins, the leader(s) that you've recruited must be registered member(s) and have completed Welcome to Girl Scouting.

Pins and numerals will be awarded each year at the Spring Cluster Area meeting. To receive your pin/numeral, fill out the information requested below and submit to the Lexington Service Center by February 1. Be sure to get your Service Unit Manager's and Membership Specialist's endorsement.

**This award is not for leaders who recruit their own co-leaders. The recruiting of the new leader must result in a new troop or replace a retiring leader.**
