

# Shopping Guide

Need to take the guess work out of what to buy at the Council shops? This convenient shopping guide will help you and your parents when they visit the Council shop or place an order online.

**Leader** - Take a moment to browse through the Girl Scout Catalog now available online at [www.gskentucky.org](http://www.gskentucky.org). We recommend that each girl have a sash or vest to display her awards. Girls will need the Council I.D. set, troop numbers and the appropriate pin and handbook for their age level. Some items, such as the Insignia Tab and American Flag Patch, are optional items. Decide what items will be purchased with troop funds and what items parents will need to purchase. Fill out this shopping guide and make copies for each parent in your troop.

**Parent** - Before purchasing items, talk to the troop leader and find out what you need to purchase and what items the troop will purchase with troop funds. Financial assistance is available upon request for some items. Contact your Membership Specialist for financial assistance questions.
