Shop and Share

February 4, 2012

The two Girl Scout Councils of Kentucky - Kentuckiana and Kentucky's Wilderness Road have dedicated February 4 to helping the First Lady Mrs. Beshear help domestic abuse violence shelters.

Shop and Share is a one-day collection drive to provide much-needed resources to the shelters that support domestic violence abuse victims and their children.

Shop and Share's corporate sponsor – The Kroger Company is providing a free patch for each girl who participates in this very worthwhile service project for our state. Please complete this evaluation and free patch order form and return to the Council after the service project. Patches may be picked up from the 4 council shops. You may also complete this online at gskentucky.org.

Troop _____ Leader Name _____

Address _____

City _____ State _____ Zip _____

Phone _____ Email _____

Age Level _____ Service Unit _____

Number of Girls Participating _____

What Kroger store or other grocery store did you partner with for the *Shop and Share* project?
