<p>Parent/Guardian I give permission for my daughter to attend and participate in Girl Scouts of Kentucky's Wilderness Road Council's summer camp program. She may participate fully in all phases of camp activities except as noted on her Physical Examination Record. I have read the camp brochure and understand and agree to cooperate will all regulations. Depending on the session she attends, the activities may include high risk activities such as swimming, canoeing, sailing, rappelling, caving, low ropes courses, and horse activities including horseback riding; transportation on/off camp premises, and other related activities. I have read and understand the Girl Scout Council's refund policies. My daughter is in good physical condition and will have a completed Physical Examination Record prior to arrival at camp. I will not allow her to attend if she becomes exposed to any contagious disease or if for any reason I do not consider her to be in good physical condition. I agree that any photographs taken of my daughter at camp may be used in publications and other materials to promote the Girl Scout program. I understand campers must have written permission to leave camp early or with someone other than the regular arranged ride.</p>
