Your Kentucky’s Wilderness Road Council operates four camps that serve an average of 5,000 campers each year! The Council has made strong efforts to keep the costs of operating to a minimum while still operating at a high standard. Fees derived from the camps currently cover only 6% of the money it takes to operate the four camps. The Wilderness Road Council funds the remaining 94%. The largest majority of these funds are derived from product sales. Please keep the costs in mind as you embark on new camping experiences by promoting conservation, using resources wisely, and practicing environmentally sound camping so that you can enjoy YOUR camp properties for a long time.

When visiting the camps remember to take the time to appreciate all the great wonders of nature and the great activities available. There are many unique wildflowers, plants and wildlife to view and appreciate. Please use caution and respect when observing all of these wonderful and exciting things. For the most up to date information concerning camps, activities and adventure programming please see our website at www.gskentucky.org.

Remember to always be safe and enjoy your stay!
CAMPING RULES, INFORMATION AND SAFETY GUIDELINES

YOU AND YOUR CAMPERS SHOULD REVIEW THESE GUIDELINES TOGETHER PRIOR TO YOUR CAMPING TRIP. FAILURE TO ADHERE TO THE FOLLOWING PROCEDURES COULD RESULT IN THE FORFEITURE OF YOUR TROOP OR GROUP’S CAMPING PRIVILEGES.

**Vehicles**
1. Only properly insured vehicles that adhere to all laws governing safety are permitted at camp - each person must have and use their seat belt.
2. Campers are not permitted to ride in the back of pickup trucks at any time.
3. Campers are to carry their gear to their Unit. Upon departure, carry belongings to the parking area and load vehicles there.
4. Park all vehicles in the designated parking area - do not park in the grass.

**Emergency Preparedness**
1. Emergency procedures are posted at all facilities - please review information with your campers.
2. Notify Site Manager of your presence.
3. Immediately upon arrival, locate smoke detectors and fire extinguishers.
4. Stress the importance of the buddy system.
5. Review storm procedures with your campers.

**Safety Awareness**
1. Poison Ivy is abundant please be alert.
2. Be aware of biting and stinging insects.
3. Be aware of snakes, rodents and other wildlife.
4. Build fires only in designated areas and always have water available.
5. Swimming, canoeing, sailing, caving, bicycling, prusiking, rappelling, climbing tower and zip line, teams course, archery, rock climbing and horseback riding require the use of specialized equipment and trained facilitators. Please contact the Program Director at 859-293-2621 for information on these exciting activities.
6. Pets are not allowed.
7. Smoking is prohibited on any camp property.
8. No campers are allowed to operate power tools and equipment.
9. No fuel burning lanterns or stoves allowed.
10. No alcoholic beverages allowed.
11. No firearms or weapons of any kind allowed.
12. Always have a flashlight and a buddy when walking in camp at night.
13. Do not move cots within tents or to another tent. This is in violation of local health department regulations and does not comply with American Camping Association standards. Approved cot arrangement:

```
Cot   Cot   Cot   Cot
Side  Side  Side  Side
Open End
```

14. As a risk management practice, family camping is not permitted on Council property. This includes nonregistered men and boys. Additional insurance must be purchased for all non-registered campers no later than one week before the event.
15. Remember to always follow GSUSA Safety Activity Checkpoints.
Conservation
1. A Girl Scout camp is a wildlife sanctuary. Do not pick, dig up, carve, cut, or damage the camp’s natural environment.

2. Keep our camp properties free of litter - always pick up trash and properly dispose of it in the dumpster. Place garbage in designated containers for pick up by the Site Manager.

Firewood
1. All troops are responsible for gathering and replacing their own firewood (tinder, kindling, and fuel)

2. Do not bring firewood to camp.

3. Gather firewood that is already on the ground. NEVER cut live or standing trees.

4. Do not drag small trees or large limbs from the woods and leave near the fire circles. This practice prevents mowing and weeding of the lawn areas and campers could trip over these obstacles.

General
1. All groups and troops are responsible for property or equipment damage caused by members of their camping party.

2. Each troop/group is responsible for cleaning all areas utilized during their stay.

3. All permanent units have cots and mattresses; campers must bring their own bedding supplies.

4. Please bring empty containers for left-over food.

5. Each camping unit contains an equipment and cook box that consists of the following:

EQUIPMENT AND COOK BOX INVENTORY

Equipment is provided for every troop or group. These items will be at your campsite when you arrive. Other items should be obtained and returned to the Site Manager.

Dishes and utensils

➤Paper towels and toilet tissue must be restocked before camp check-out.

All items in the cook box should be cleaned, dried and inventoried. Please inform the Site Manager about broken or damaged equipment. Any and all missing or damaged items are the responsibility of the troop or group and will result in the loss of your deposit.
Departing Procedures
1. The Site Manager must review the Camp Checkout Procedure-Attendance Report before departure.
2. Collect all garbage bags, tie and leave bags by the side of the road for the Site Manager to pick up.
3. Report any health, safety or repair concerns to the Site Manager.
4. The troop leader or group representative should be the last person leaving the campsite.

RESERVATION PROCEDURES FOR ALL TROOPS/GROUPS

For Council, Non-Council and Non-Girl Scout Troop/Group Usage:
Application forms and all other necessary forms are available from service Unit managers, membership specialists, all Council service centers and our website at www.gskentucky.org.

Reservations must be made at least three weeks in advance. Send your Camping Application with appropriate fees and other necessary forms to the Lexington Service Center. The application, including paid fees, will be returned if not properly completed. You will be emailed a confirmation, which you must show to the Site Manager when you arrive at camp.

Service Unit Encampments and events at council properties that are advertised in the TAP Calendar should send a completed Troop Camp Application with the TAP form, a $50 deposit check and a check for the camp fee when TAP events are due in June.

The Program Department will begin accepting reservations from leaders for troop camping after September 1 for the new membership year. Troop Camp is first come, first serve. Troop leaders may call the council to inquire about available dates. The preferred date and camp Unit will be held on the camp reservation calendar for 2 weeks. A completed Troop Camp Application must arrive at the council with 2 checks – one for the total camp fee and the other a $50 deposit fee. The deposit will not be cashed and will be returned by the Site Manager when the troop completes the Camp Checkout Procedure-Attendance Report.

IMPORTANT: Read and understand the policies and standards stated in Safety Activity Checkpoints.

- At least one adult who has completed the applicable level(s) of Troop Camp Training must accompany the troop, as well as an adult with current First Aid Certification. For multi-troop encampments or events, there must be at least two adults with applicable level(s) of Troop Camp Training and First Aid certification. Proof of trainings and certifications must be demonstrated to your Service Unit Manager or Membership Specialist. Pools and other high risk activities require certified facilitators. For information concerning high risk activities contact the Program Director at 859-293-2621.

- For non-Council agencies/groups, a certificate of Comprehensive General Liability coverage in the amount of $1,000,000 with Girl Scouts of Kentucky’s Wilderness Road Council listed, as additional insured must be submitted with the application. This coverage must include all group participants, members, leaders, etc. Additional insurance must be purchased for all non-registered participants three weeks prior to camping.
• Complete the application and send it with the deposit check and camp fee check to the Lexington Service Center, 2277 Executive Drive, Lexington, KY 40505.

• The confirmation packet will be emailed and will serve as your official reservation notice. This confirmation must be presented to the Site Manager upon your arrival at camp.

• If the campsite chosen is not available, you will be notified and all fees returned. A troop or group can be placed on a waiting list for an available site if desired.

• Notify the Program Director at (859) 293-2621 if you need to cancel your reservation. Refunds will only be given for weather related hazards, sickness or death in the family of the troop, or a three week in advance cancellation.

• In the event of a “Weather Advisory” the council reserves the right to cancel the reservation. The council also must follow county wide restrictions such as burn bans.

• By signing the application, your group agrees to indemnify Girl Scouts of Kentucky’s Wilderness Road Council against and hold them free and harmless from any cause and all claims, demands, loss, damage, and expenses including attorney’s fees and other legal expenses arising out of the use of any and all grounds or facilities owned or operated by the Girl Scouts of Kentucky’s Wilderness Road Council.

• Any damage to camp property or equipment will be the responsibility of the group and appropriate charges will be assessed.

• Tent Units are open for reservation from April 15 to October 31. All other Units are open at the discretion of the Property and Site Managers.

• Absolutely no reservations will be taken over the phone!

• Please note: In order to reserve your Unit you must have 1. Completed Application, 2. Complete payments, 3. Safety Deposit Check ($50). Failure to have any of the three items will result in an incomplete application and your reservation will not be processed.

Cancellation Policy

You have 21 days from your reservation date to cancel and receive a refund. If you cancel within those 21 days you will not receive a refund and your deposit will be cashed. However; if you or the council can find a replacement to fill your scheduled camp reservation your camp reservation fee will be refunded.
