

CAMP CACHES

Are Here!!!

Who : Camp Caches are designed to make Leaders' lives easier when going to camp. Girls will love the fun and easy activities.

What : A Camp Cache is a lending library in an outdoor cupboard full of naturalist and camp activities. All supplies in the Caches are non-consumable and must be returned. Lists of the contents of each Camp Cache can be found on the Camp tab at www.GSKentucky.org, along with lists of materials to bring along if you want to enhance the experiences.

When: Anytime you are at camp or, for those who have access to the Council Office in Lexington, anytime you want to make a meeting or activity more fun.

Where : 1. Camp Judy Layne near the camp fire pit at the intersection before Charlotte's Web.
2. Camp Shawano straight out from Woodview on the Flag Field.
3. Council Office in Lexington in the back parking lot.
- Note: each box is pad locked. The combinations for the boxes can be found on the Camp tab at www.GSKentucky.org.

Why : They are designed to help you fill your time at camp without bringing lots of extra supplies. We know leaders have to bring camping gear, food, cleaning supplies, and so much more to camp. This helps you fill time with camp related activities without bringing even more supplies with you.

How: For more information, check the Camp tab at www.GSKentucky.org or email one of the Camp Cache email accounts: campcachejudywayne@gmail.com, campcacheshawano@gmail.com, and campcachecouncil@gmail.com
