A Guide to: gs troop travel
WHAT IS A GIRL SCOUT TRIP?
A troop trip is an opportunity for girls to learn, have fun, and experience adventure. Girls should plan it with guidance from adults. Girls should be active in planning, participate in pre-trip activities at troop meetings, and be prepared for travel prior to departure. When planning trips with girls, be sure to use GSUSA Safety Activity Checkpoints.

Learning how to plan a trip should be a progressive experience for a Girl Scout – one that starts at a point she is ready to handle. Girl Scout Daisies, for example, might begin with a discovery hike. Girl Scout Brownies and Juniors should start with simple trips if they have never done any traveling. Once a troop understands the planning process, girls may progress to longer trips. As girls grow in their travel skills and experience, they can better manage the planning processes, and progress to longer trips. Make sure the girls are progressing through the Ladder of Leadership and they are of the right age for the trips they plan. Use this guide during troop meetings to plan your trip.

- Day Trips: Daisies and older
- Simple Overnight Trips: Brownies and older
- Extended Overnight Trips: Juniors and older
- International Trips: Seniors and older

**Day Trips**
A Day Girl Scout troop trip is a trip that is under 150 miles or under two nights. These trips could include day trip to the fire station, or a local park. The Service Unit Manager approves all Day trips.

**Simple Overnight Trips**
A simple overnight Girl Scout troop trip is a trip that is under 150 miles or under two nights. These trips could include simple overnight at the zoo. The GSWRC Troop Support Specialists approves all simple trips.

**Extended Trips**
An extended Girl Scout troop trip is a trip that is over 150 miles away (one way) or over two nights. These trips could include a trip to the birthplace in Savannah, GA or a trip to Mammoth Cave for four days. The GSWRC Program department approves all extended trips.

**International Trips**
An International Girl Scout troop trip is a trip that is out of the United States. These trips could include a trip to one of the World Centers in Europe. The GSWRC Program department approves all International trips.

TROOP TRIP PROCEDURES
To assist troop mentors and other volunteers in planning trips we have developed the following guidelines. It is important for the safety of girls and adults participating in Girl Scout organized activities that you review and apply these guidelines when planning a trip. If you have any questions, please contact your Troop Support Specialist and/or the Program Department.

- All trips and overnights require Planning Trips with Girl Scouts.
- All camping trips require the appropriate level of Outdoor Training (Troop Camp Training or Out and About Training).
- Parent/Guardian Permission Slips are required for all trips and overnights.
- A trip should be suitable to the ages of the girls in the troop, should be girl-planned and reflect the financial resources of the troop and its members.
- Troops must obtain written permission from the Council for all trips away from their regular meeting place and all overnights according to the Troop Trip Guidelines Chart (located in this document).
- Additional Insurance is required for all trips longer than 2 nights. Troops must send insurance information and money to the Lexington Service Center at least 3 weeks before the trip.
- Before participating in a trip of more than 3 nights, a record of health examination given by a licensed physician, physician’s assistant or registered nurse within the preceding 24 months is required. Refer to the Volunteer Essentials.
- Troops that hire or borrow vehicles must send, before the trip, a CERTIFICATE OF INSURANCE to the Lexington Service Center. The vehicle can be used only after Council approval has been obtained.

**Adult Coverage**
Safety Activity Checkpoints outlines the required girl/adult coverage ratio for all outings. Adults are defined as individuals 18 years or older. Trips or events must include:

- Two adults for every 5 Girl Scout Daisies, 12 Girl Scout Brownies, 16 Girl Scout Juniors, 20 Girl Scout Cadettes, 24 Girl Scout Seniors or Ambassadors;
- Plus one adult for each additional 3 Girl Scout Daisies, 6 Girl Scout Brownies, 8 Girl Scout Juniors, 10 Girl Scout Cadettes, 12 Girl Scout Seniors and Ambassadors.

GUIDELINES FOR TRIPS

This checklist may also be used as a guide in planning the agenda for a Parent/Guardian Information Meeting prior to final decision on trip.

I. Leadership

- Do the leaders know the girls well enough before the trip takes place?
- Are the leaders physically and emotionally equipped to handle a trip of the duration?
- For an extended trip, has a parent meeting been held with a member of the Service Team (not involved with the trip) on hand to hear the “back home” plans?
- Are the girls and leaders registered with the Girl Scouts of Kentucky’s Wilderness Road?
- Have girls been involved in the planning and implementing of the trip?
- Are girls prepared with the skills and knowledge needed to derive benefits from trip?
- Are most of the registered troop members involved in planning and participating in the trip?

II. Cost

Has the proposed budget been developed to include items such as:

- Each participant paying a portion
- Troop money earning project (approval required)
- Site rental/accommodations
- Equipment rental
- Transportation
- Additional insurance
- How will these costs be covered?
- Troop treasury funds per Girl Scouts

III. Parent/Guardian Permission

- Have parents been advised of all activities in which the girls will participate, including activities such as horseback riding, swimming, and theme park rides?
- Has the health history information been updated for each participant?
- Has written parental permission been obtained?

IV. Things to Consider

- What contingency plans have been made for sickness of girls or adults while away?
- Who is the Adult First-Aid/CPR Certified adult accompanying the troop?
- What activities might prove to be potential problems? How will these be handled?
- What activities are not allowed?
HOW TO START PLANNING THE TRIP:

As you and the girls, start planning their trip start with these questions and considerations.

**Start with the basic questions:**
- Where are we going?
- When are we going?
- How will we get there?
- How much will it cost?
- How should we prepare?
- What will we do along the way?
- What will we do when we get there?
- What will we do when we get home?

**Then go one level deeper:**

**Where are we going?**
- What are the goals for the trip?
- Does the destination have a tie-in to the Girl Scout program?
- What are the girls’ expectations? What are the troop leaders’ expectations?

**When are we going?**
- Check the calendar to be sure the date does not interfere with a religious observance, school trip, or other event, which will limit participation.

**How will we get there?**
- An opportunity for girls to participate in the planning begins here.
- Small groups, committees, or patrols can be assigned to check the costs of bus, train, and air fares; estimate mileage if going by car; and learn to use road maps.
- Have groups report findings back to the troop members for the purpose of discussion and decision-making.

**How much will it cost?**
- After this discussion, plan a budget based on several methods of transportation. Let girls decide which would be most advisable with leaders help, of course. Consider fees such as overnight lodging, food, etc., as part of the budget.

**How to get ready:**

Now the real fun begins. Activities at troop meetings could focus on:
- What safety procedures should we take?
- What games to play on the bus or train?
- What to wear? What to bring?
- What will we see along the way? What will we do when we get there?
- What forms need to be filled out, i.e., parental permission forms?
- Does each girl and parent/guardian understand the purpose of the trip?
- Introduce the girls to the things to look for and ask them what they expect to see, do, and accomplish.
- What will we do when we get home?
- Did the trip meet our expectations? Have troop members evaluate.
- Create a trip log and share with another troop or parents/guardians.
- Write thank you notes!
- Would you recommend this trip and itinerary to others?

**Budgeting**

Consider cost factors when planning a troop trip.

A. What other types of program will be offered during the troop year if all troop money goes towards the trip?

B. What is the troop’s projected income?

$____Dues
$____Cookies
$____Troop money earning projects (permission required)

C. What are the anticipated expenses?

$____Transportation
$____Meals
$____Accommodations
$____Activity Fees
$____Contingency Fund
$____Other

D. What will the trip cost per girl?

$____Total cost per person

E. What will be paid for by:

$____Troop funds
$____by Girl/Adult

Once the plans are almost final, submit a trip application – refer to this publication for more information on how to do so.
TRIP APPLICATION INSTRUCTIONS

Follow the Trip Planning Timeline for submitting your application. Please fill out the Trip Application completely, and forward a copy to your Service Unit Manager, Troop Support Specialist, or GSWRC Program Department (depending on what type of trip the girls have planned). GSWRC staff and/or Service Unit Manager is to be notified prior to any troop activity occurring away from the regular troop meeting place and/or regular meeting time. This includes but is not limited to individually registered girls.

Please include a copy of the Trip Participants List with the application for trips longer than 2 days. The application will be reviewed for approval and troop mentors or volunteers will be contacted only if additional information is needed or if there are other questions about the trip. **Troop Trip Approval is not required for Service Unit or Council Sponsored events.**

**NOTE:** Please remember to take permission slips, the Girl Health History Record and Accident Insurance Claim forms, and a first aid kit on all trips.

---

**Prior to filing out your application, be sure that:**

- All girl members and adults are registered with the Girl Scouts of Kentucky’s Wilderness Road.
- All adults have a background check through the Girl Scouts of Kentucky’s Wilderness Road.
- Adults participating in trip understand the purpose of the trip, health and safety requirements, and their role in the girl/adult partnership.
- The trip is appropriate for your program level - i.e. consider length of time, distance, activities, and readiness of troop members.
- The cost of the trip is feasible for the troop and manageable for each individual troop member.
- Adequate adult coverage is in compliance with Girl Scouts of the USA’s **Safety Activity Checkpoints.**
- Trip plans were shared with all parents/guardians.

---

**Parent/Guardian Permission**

Trips of short duration use regular permission forms. For extended trips or expensive trips, a Parent/Guardian Information Meeting should be held in addition to the permission forms.

---

**UNDERSTANDING WHICH ACTIVITIES ARE NOT ALLOWED**

In an exciting, learning-by-doing environment like Girl Scouting, it’s only natural that girls will sometimes want to take part in activities not covered in Safety Activity Checkpoints. When activities involve unpredictable safety variables, they are not recommended as Girl Scout program activities. These include but are not limited to:

| Aerial tricks on bicycles, skis, snow boards, skateboards and water skis | Paintball Tagging |
| Ballooning (Tethered or Untethered) | Parachuting/Skydiving |
| Bubble Soccer/Zorbing | Parasailing |
| Bungee jumping | Trampolining (outdoor) |
| Flying in small planes, helicopters, sailplanes and blimps | Riding motor bikes, all-terrain vehicles |
| Hang Gliding | Using personal watercraft |
| Hunting | Watercraft trips in Class IV and above |
| Jet Skiing or using Wave Runners | Whitewater on unclassified rivers |
**HIGH RISK**

GSWRC considers some activities to be High Risk. In addition to following the Safety Checkpoints, they require special permission on the Parent Permission Form and the vendor must be on the Council vendor list in order to have Council permission. Vendors on the list have provided proof of insurance and follow required safety procedures. Contact the Council Program and Camp Department if there is a location that is currently not on our approved vendor list. GSWRC requires when attending a High Risk Activity, attendees must complete a high-risk form, and submitted with your troop trip approval. Below is a list of many common high-risk activities that need vendor approval:

PRIVATE TRANSPORTATION:
PROCEDURES, GUIDELINES, AND RECOMMENDATIONS

Standard Private Transportation Guidelines from GSUSA and GSWRC:
“Private passenger cars, station wagons, and vans may be used during Girl Scout activities. They must be properly registered, insured, and operated by adults with a valid license for the type and size of vehicle used. Any other form of private transportation may be used only after Council approval has been obtained.” — Volunteer Essentials.

When transporting girls to planned Girl Scout field trips and other activities that are outside the normal time and place, every driver must be an approved adult volunteer and have a good driving record, a valid license, and a registered/insured vehicle. Insist that everyone is in a legal seat and wears her seat belt at all times, and adhere to state laws regarding booster seats and requirements for children in rear seats.

Transporting Girls How parents decide to transport girls between their homes and Girl Scout meeting places is each parent’s individual decision and responsibility. For planned Girl Scout field trips and other activities (outside the normal meeting time and place) in which a group will be transported in private vehicles keep in mind the following:

- Every driver must be an approved volunteer at least 21 years old, and have a good driving record, a valid license and a registered/insured vehicle.
- Girls never drive other girls.
- If a group is traveling in one vehicle, there must be at least two unrelated, approved adult volunteers in the vehicle, one of whom is female. In addition, the girl-volunteer ratios in the “Knowing How Many Volunteers You Need” section of volunteer essentials must be followed.
- If a group is traveling in more than one vehicle, the entire group must consist of at least two unrelated, approved adult volunteers, one of whom is female, and the girl-volunteer ratios in the “Knowing How Many Volunteers You Need” section must be followed. Care should be taken so that a single car is not separated from the group for an extended length of time.

Please ensure that:

- The number of passengers does not exceed the intended passenger limits of the vehicle.
- Each person has her or his own seatbelt or booster seat.
- There is adequate space for luggage and equipment, which is stowed securely.
- All vehicles are equipped with a first aid kit.
- No alcohol or drugs are consumed before or during Girl Scout trips. Please be aware that some over-the-counter medications may cause driving impairments.
- All city and state traffic laws and regulations are followed.
- Appropriate behavior while in the vehicle is discussed with girls before each trip.
- Each driver has a copy of destination directions and phone numbers.
- The vehicle stops and pulls off the road to a safe location if there is a need for the driver to make phone calls or text someone.
- All girls under the age of 12 ride in the back seat.

Vehicle Rental and Private Transportation
When hiring a private bus company, we recommend that troop mentors check their safety record on the Department of Transportation website. We recommend that troop mentors do not contract with any company with noted safety violations. If a posting is made to the DOT site after a bus company is contracted and the company cannot be changed before the trip, we ask that troop leaders ensure that chaperones are aware of any concerns and be vigilant when travelling. [Link](http://cms.fmcsa.dot.gov/safety/passenger-safety/search/by-company)

Private transportation includes private passenger vehicles, rental cars, privately owned or rented recreational vehicles and campers, chartered buses, chartered boats and chartered flights. Each driver of motorized private transportation must be at least 21 years old and hold a valid operator’s license appropriate to the vehicle. In addition, state laws must be followed, even if they are more stringent than the guidelines here. Anyone who is driving a vehicle with 12 or more passengers must be a professional driver who possesses a commercial driver’s license (CDL). **Fifteen passenger vans are not recommended.** Please keep in mind the following non-negotiable points regarding private transportation:

- Even though written agreements are always required when renting or chartering, you are not authorized to sign an agreement or contract, except for rental car agreements, even if there is no cost associated with the rental. Such agreements must instead be signed by GSWRC.
- Permission must be obtained by GSWRC if you use a rented car. **Submit your rental agreement to the program department with your troop trip paperwork as well as the driving record request form.** When renting a vehicle, read all rental agreements to be sure you comply with their terms and avoid surprises. For example, in many cases the minimum age of drivers is 25, and the maximum age is often under 70. In addition, make sure the car is adequately insured and you know who is responsible for damage to, or loss of, the vehicle. Finally, ensure you have a good paper trail that shows the vehicle rental is Girl Scout–related.

TIPS FOR DRIVER SAFETY

Before beginning an extended trip, review the safety facts and safe driving tips for various circumstances.

Bad Weather
Don't drive in bad weather, or, if on the road, slow down or stop after pulling as far off the roadway as possible. Bad weather causes increased chances of accidents due to poor visibility; moisture on the road causes hydroplaning; and wet roads reduce traction, which increases the distance needed to stop.

Following Distance
Always keep the proper distance between you and the vehicle ahead. This allows time for you to respond. Use a 3-second rule if you are driving a car. Watch the car ahead as it passes an object on the side of the road. Count “1000-1, 1000-2, 1000-3.” If you pass that object before you end the count, then you are too close. Back off. If you are driving a van or a vehicle loaded with lots of gear, increase the count to 1000-4. During bad weather, increase your count. It will take you longer to stop.

Rest Up
Do not drive while tired or taking medication that could make you drowsy. You can actually “micro sleep” while you drive, which is highly dangerous in a moving vehicle.

Distractions
Do not take your eyes off the road for any reason. If you need to resolve an argument among passengers, read a map, or use a cellular phone, pull off the road at an exit or rest area.

Anticipate
Keep your eyes on the road. Continuously scan your mirrors. Watch the road on all sides. If something is happening, you can stop or accurately determine how to avoid the problem. Watch the brake lights of the car ahead or for warning signs along the road.

Be Visible
Drive with your headlights on. Do not drive in the blind spots of other vehicles, especially large trucks. Use your turn signals when changing lanes or preparing to turn.

Adhere to Posted Speed Limits
Excessive speed can cause accidents because you need more time and distance to be able to react or stop.

Seat Belts On
Require all passengers to buckle up before you start the vehicle.
SAFE PASSENGER PLEDGE
As a passenger on a Girl Scout Trip, I understand it is my responsibility to help ensure our safety. I pledge to be a great passenger by following the rules for this trip:

Keep my seatbelt fastened around me.
Help the driver keep us safe by practicing good behavior, especially by not yelling, arguing, fighting, or throwing things that could be distracting.
Ask if there are any landmarks to find that would help the driver navigate.
Play games or music QUIETLY with other passengers.
Stay with my group when we stop.
Alert the driver to any problems like a door being open, a missing buddy, or anything the driver can’t see, such as something behind the vehicle as it is backing up.
Follow instructions given by the driver before and during the trip.

Passenger’s Signature: ____________________________________________ Date: __________________________

SAFE DRIVER PLEDGE
As a driver for a Girl Scout Activity, I understand it is my responsibility to transport girls safely to the scheduled activity and back to their parents/guardians. To ensure the safety of the girls, I pledge to:

Make sure that the vehicle is in safe operating condition before the trip.
Be sure that everyone is wearing a seatbelt at all times while the vehicle is moving.
Drive within posted speed limits.
Use turn signals for all turns and traffic lane changes.
Yield to all oncoming traffic and be extra careful when making left turns.
Keep at least a four-second interval between my vehicle and the vehicle in front of me when highway driving.
Drive with extra caution during hours of darkness when visibility is reduced.
Plan extended trips to avoid driving in the dark.
Never drive when sleepy.
Take a rest break every 2 hours.
Alternate drivers when I need a break.
Drive no more than 6 hours a day.
Never use a cellular phone while driving. I will pull over and stop, put the car in park, and turn off flashing lights before dialing.
Never use alcohol or medication that may make me drowsy.

**ADDITIONAL INSURANCE**

All troop members are provided Basic Activity Insurance by GSUSA upon registration and payment of the $25 national registration fee (Plan 1). This is why it is so important to get the troop registration completed and returned to the Council in a timely manner. This insurance covers registered members for troop meetings, activities and events lasting two consecutive nights or less and pays up to $10,000 in medical expense (with a non-duplication provision).

Guests (parents, guest speakers, other “tag-a-long” children not registered with the troop but who are present in a troop meeting or activity) are not covered under the Basic Activity Insurance Plan. In addition, if the troop has an activity/trip/event lasting more than two consecutive nights, neither the troop nor any guests are covered under the Basic Activity Insurance Plan.

To protect your troop and any guests, there are additional insurance plans available. You may have different needs during the year. To help you determine which plan may be best for your particular activity, event or trip, please read the following information. Also, be sure to read the plan descriptions for complete information. Decide which plan best suits your needs and complete the Request for Additional Insurance Form. Return the form to the Council with your trip application and payment of the premium. Please note that the insurance needs to be received by the Council at least three weeks before the start of the activity/event/trip in order for coverage to apply. If you have any questions, please contact the GSWRC Office Manager or Program Department.

The following is a general overview of the Additional Insurance Plan. Refer to the plan descriptions for complete details particularly regarding trips.

**GIRL SCOUT ACTIVITY ACCIDENT INSURANCE PLANS**

**PLAN 1: Girl Scout Basic Activity Accident Insurance** covers every registered member for accidents occurring while participating in any approved, supervised activity of the Girl Scouts, except events lasting more than two consecutive nights (a third night is covered only for any official federal holiday). This plan carries a non-duplication provision* Pays up to $10,000 in medical expense. Cost of premium is included in registration fee.

**ADDITIONAL INSURANCE PLANS**

Plan 2, Plan 3E, 3P or 3PI coverage is needed for events or activities for longer periods and/or to insure persons who are not registered Girl Scouts.

**PLAN 2:** Accident Insurance for Activities or Events Excluded Under the Basic Plan – designed to provide the same level of benefits for approved, supervised activities/events excluded under the Basic Plan. *Non-members participating in Girl Scouts events can be insured under this plan. This plan should be considered if the event is of a short duration and/or close to home. Examples of such activities/events are field trips or camping on long weekends. **All participants, members and nonmembers, must be insured.** Plan 2 provides coverage for accidents and includes all participants for events lasting more than two consecutive nights (three nights when one is an official federal holiday). Non-duplication provision included in their plan. Pays up to $10,000 in medical expense. Cost of premium: $5.11 per person per day, with a minimum premium of $5.00.

*Please note: to cover guests at troop meetings please multiply (# of guests) x ( # of troop meetings) x ($5.11).*

**PLAN 3E:** Accident and Sickness Insurance for Activities or Events Excluded Under the Basic Plan – provides **sickness and accident** coverage for all participants in an approved Girl Scout activity/event lasting more than two nights (three when one of the nights is an official federal holiday). It is designed for extended trips. **All participants, members and nonmembers, must be insured.** This plan has a non-duplication Provision* Cost of premium: $2.29 per person per day, with a minimum premium of $5.00. Pay up to $5,000 in medical expenses for sickness and up to $10,000 for accident.

It is recommended for extended trips. Cost of premium: $1.70 per person per day, with a minimum premium of $5. Pays up to $5,000 in medical expenses for sickness and up to $10,000 for accident.

**PLAN 3PI:** International Travel Plan. Accident and Sickness Insurance for Activities or Events excluded under the basic Plan – same as Plan 3P, but with international travel assistance services “Safety Net” feature added (see description below). This is the only plan that covers international travel. Cost of premium: $1.17 per person per day, with a minimum premium of $5. Pays up to $10,000 in medical expenses for sickness and up to $15,000 for accident.

*Non-duplication Provision: Up to $100 in medical or dental expenses is paid by the insurance company without regard to other insurance. If the claim exceeds that amount, benefits are paid only for covered expense, which is not payable under any other insurance policy or service contract.

**International Travel Assistance Services “Safety Net”:** Should a medical or other emergency occur while abroad, the leader is a free telephone call away from mobilizing AXA Assistance resources to provide their hands-on assistance. AXA Assistance Services can be secured in an emergency 24 hours a day around the globe by making a toll-free or collect telephone call to its services center. This company is strategically located worldwide to intercede locally whenever needed in an emergency. Physicians and nurses working with AXA are available to interact immediately when notified of an emergency, thus ensuring continuous contact between all interested parties, including the treating physician(s), facilities, home physician(s), family members, and the Council.

For further information regarding insurance, please call the GSWRC Office Manager.

PARTICIPANT AGREEMENT FOR GIRLS

I understand that my attitude and behavior are critical to the success of the trip (or event or project). Therefore, for the good of the trip as well as my fellow group members, **I agree to abide by the following:**

1. I will try to be sensitive to the needs of each group member.
2. I will respect the places and the people with whom I come in contact.
3. I understand that the use of tobacco, alcohol, or drugs will not be tolerated, and that usage during the trip will result in expulsion from the trip.
4. I will be responsible for my personal belongings and equipment and will not hold the Girl Scout-Wilderness Road Council responsible for their loss or damage due to my negligence or neglect.
5. I will treat all equipment provided for my use with care. I understand that I will be assessed for damages to any equipment in the event that my use of such equipment is negligent or abusive.
6. I will use all required safety equipment and follow safety rules and procedures.
7. I agree to take my share of daily responsibilities such as food preparation, setting up camp, clean-up and shopping.
8. I understand that if I am sent home early due to any serious misconduct, it will be at my parent's or guardian's expense and that council staff will make the travel arrangements and notify my parent or guardian of those plans.

Participant’s Signature                     Date

PARTICIPANT AGREEMENT FOR ADULTS

For adults accompanying or supervising Girl Scouts participants in a neighborhood or council-sponsored event, project or trip:

I understand that as a leader of ____________________________, I play an essential role in the success of this project and that my attitudes, behavior, and responsibilities as a role model are critical to the success of ____________________________.

I, therefore, agree to do the following:

- Be sensitive to the needs of each girl participant.
- Respect the places and the people with whom I come in contact.
- Work with the Council’s Program Director on all phases of planning and preparing for the project.
- Review and become familiar with all the materials and forms provided for this project in order to interpret them to girls and their families.
- See that all appropriate forms are completed by girls, their families, and/or physicians and return all forms to the Program Manager by the due date listed on each form.

- Follow GSUSA’s Safety-Wise and the Council’s health and safety standards during all phases of the project.
- Work under the direction of the event staff to ensure the participation of the girls in program activities, ceremonies, and tasks during the event, project, or trip.

- Understand that the use of tobacco, alcohol, and drugs will not be tolerated, and that usage during the event may result in expulsion from the event.
- Be responsible for my personal belongings and equipment.
- Treat equipment and supplies with care.
- Use all required safety equipment and follow agreed-upon safety rules and procedures.
- I understand that if I am dismissed due to any serious misconduct, it will be at my expense and that the Girl Scouts-Wilderness Road Council will make the travel arrangements.
- Assist the event staff and the Council in evaluating the event and the project.
- Ensure that our group has completed all pre-event requirements and has the necessary clothing and equipment.

VEHICLE LEASING INSTRUCTIONS

When leasing a vehicle for a trip, the following Council Policies must be followed:

1. The number of passengers must not exceed the intended passenger limits of the vehicle. Passengers must have and use their own individual seat belt. Applicable state statutes regarding child safety seats must be followed.

2. **Use of 15-passenger vans to transport girls is not permitted.** If a 12 passenger van is used, the occupant load must be a maximum of nine (9) passengers, with the rear seat(s) unoccupied, AND the driver should have driver training/experience related to 12 passenger vans.

3. Drivers must put safety first whenever driving. While driving, drivers should not make/receive cell phone calls unless using a hands-free device. Drivers are prohibited from using other cell phone features including text messaging, browsing the Internet, reading or sending emails, and playing games.

4. All vehicles must meet the Kentucky Responsibility Law.
   - a. For injury to, or death of, any one person in any accident: $25,000
   - b. For injury to, or death of, more than one person in any accident: $50,000
   - c. For property damage caused by one accident: $10,000

*Please refer to Volunteer Essentials for information regarding leasing a vehicle and safety precautions when transporting girls.*

**Insurance coverage**

There are two kinds of insurance coverage that apply to leased vehicles: liability and physical damage coverage.

- **Liability Coverage** - This insurance protects a driver in case of accident resulting in a lawsuit. The minimum requirement for liability coverage on a leased automobile or van is $1 million. You have two sources for securing this liability insurance coverage:
  1. The driver’s personal liability insurance coverage
  2. The leasing agency’s liability insurance coverage

- **Physical Damage Coverage** - This insurance coverage is to pay for any physical damage to the leased vehicle. You have two sources for this coverage: Each driver should check his/her own insurance to see what physical damage coverage may be included for leased vehicles.

**Before your trip**

- Purchase necessary insurance coverage from the leasing company.
- Lease the vehicle in the name of the primary driver. Make sure that all drivers are listed on the lease agreement. Provide the Council with necessary identifying information on the leased vehicle by completing and mailing the attached Vehicle Leasing Report along with a copy of the lease contract after you return from the trip.
- Complete the Add Driver and/or Check Driving Record Request Form and submit with other troop trip forms.
