GS Kentucky's Wilderness Road
At Girl Scouts, she'll have endless opportunities to get outdoors, inspiring her to seek adventures and overcome challenges so she can create her own success—whatever that looks like to her. Here, she'll discover who she is, what she's passionate about, and what she wants to achieve—both today and in the future.

**Build Her Girl Scout Experience**

**Program Pathway**
Girls today are busier than ever before. But that doesn't mean she can't be a Girl Scout! This guide is filled to the brim with opportunities she can take advantage of on her own time, in her own way. Girls do not have to be a part of a troop to be a Girl Scout. She can attend any and all age appropriate events, programs, and activities, participate in the Product Program and earn the Highest Awards.

**Troop Experience**
A more traditional approach, the Girl Scout Troop, allows girls to join and partake in activities and growth with girls her own age. As part of a group she'll learn who she is and where she wants to go in her life.

The Girl Scout Experience is what she needs, when she needs it.

Who better to shape your girl's Girl Scout Leadership Experience? Volunteers are always needed. Who better to help shape your girl's Girl Scout Experience than YOU? We offer detailed training and continued support so that being a part of the Girl Scout family is a no-brainer. Get started today!
STRONG SENSE OF SELF
Girls have confidence in themselves and their abilities, and form positive identities.

POSITIVE VALUES
Girls act ethically, honestly, and responsibly, and show concern for others.

CHALLENGE SEEKING
Girls take appropriate risks, try things even if they might fail, and learn from their mistakes.

HEALTHY RELATIONSHIPS
Girls develop and maintain healthy relationships by communicating their feelings directly and resolving conflicts constructively.

COMMUNITY PROBLEM SOLVING
Girls desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create "action plans" to solve them.

We want to hear from YOU!
Girls all over the council are building their very own Girl Scout Experience. Send us your blurbs and photos so we can celebrate your success and you can inspire other girls from all over. Send them to gswrc@gswrc.org

Girl Scouts LOVE to Travel

From the field trips they take as Brownies to the global adventures they go on as teens! If you love exploring different places and cultures, then Girl Scouts is the place for you.

Girls can travel both locally, and all over the world! For local Girl Scout travel guidelines, please reference our Guide to Girl Scout Troop Trips found on the council website under Forms.

Looking to go a bit further? How about a Girl Scout Getaway or Girl Scout Destination Trip!

**Girl Scout Getaways:** Thinking about planning an adventure with your troop? Getaways are short travel programs designed specifically for Girl Scout Troops to participate in together.

**Girl Scout Destinations:**
Girl Scout Destinations are the ultimate adventure for individual Cadette, Senior, and Ambassador Girl Scouts! Girls can apply as an individual, and make friends from all over the country or internationally! There’s a unique life-changing experience for every girl – Not a Girl Scout? Just join! Summer 2020 destinations were cancelled or rescheduled, but girls can look into both Winter 2020 and Summer 2021 destination trips today.
Studies show that girls today are not spending nearly enough time outdoors. Technology and structured activities leave less time for girls to get outside and enjoy nature. But as a Girl Scout, she’ll have plenty of opportunities to create her own outdoor adventures and develop a lifelong appreciation for nature and the outdoors—whether with her troop, at camp, or with friends and family.

Camp Judy Layne Summer Resident Camp 2021

Girl Scout camp is so much more than girls doing things outside. Yes, we offer archery, swimming, canoeing, challenge courses, hiking, art, outdoor cooking, and more. And while each of these activities are great, the greatness of Girl Scout camp is more than the activities—it’s friendships, experiences, personal growth, tradition, and fun, sprinkled with camp magic and mashed together.

The dates have not been set for resident camp due to the uncertainty of the school schedules. Below are the session titles we are planning.

By completing this patch program, you will become more aware of that movement and the women who helped shape history. You'll explore how these actions set the stage for women's rights throughout history, how the Women's Rights Movement is still a part of our current lives, and how through advocacy we have the power to impact the lives of others.

To earn this exclusive patch for the Women’s Suffrage Centennial, please complete the patch requirements for your recommended age group by December 2020. Challenge yourself to learn something new, make your voice heard, and enjoy learning about this historic movement.

Ways Girl Scouts Build Leaders
Can you find all 5 in this guide?
Each year, National Girl Scout Week is celebrated in March around the birthday of Girl Scouts on March 12. In 2021, it will be celebrated across the country on March 7-13. Girl Scouts around the globe will celebrate the wonderful Girl Scout sisterhood spanning over 100 years of Girl Scout history and traditions, as well as current Girl Scout Go-Getters, Innovators, Risk-Takers, and Leaders.

The activities in this patch program have been inspired by a combination of many different facets of the Girl Scout organization, including: the celebration of Girl Scout week, GSUSA curriculum and Girl Scout traditions. The variety of activities will encourage all Girl Scouts, no matter their interest or age to participate.

GSKWR is partnered with Fidelity Investments for the "Let It Grow" Investment Patch Program so that girls can build financial and investment literacy skills as they progress through the Girl Scout Leadership Experience.

Girls may start earning patch bars at any age level. Leaders are encouraged to work independently with their girls on this program and be in contact with Membership/Program Manager Noelle Johnson at njohnson@gswrc.org when the program has been completed!

Road Trip
Through Girl Scouts, girls learn to think like entrepreneurs as they participate in activities that spark curiosity, confidence, and innovation. Research shows that girls are actively interested in becoming entrepreneurs, developing financially stable futures, and using their skills to make a big impact on the world. But there are stumbling blocks on a girl’s path to entrepreneurship, including fear of failure, concerns about bringing her big idea to life, and the perception that men are more likely to be entrepreneurs than women. While entrepreneurship may not be right for every girl, every girl will benefit, and maybe even discover a future career path, by learning to think like an entrepreneur.

How the

COOKIE CRUMBLES

Did you know that every service provided by Girl Scouts of Kentucky's Wilderness Road is subsidized for our members? It costs $320 per girl to give her the Girl Scout programmatic experience for just one year. The Girl Scout Cookie Program not only gives girls funds for the troop, but it also supports all of our services to volunteers, Caregivers, and girls. Proceeds from the Cookie Program also helps maintain our camp facilities and properties so they are not only adventurous but safe for our girls. It is important to remember that “council” is all of us. Every penny from the Cookie Program stays within our council after we pay our vendor and program costs.

Wacky Weather Warrior

We know that sometimes the weather is wacky! We may experience snow, rain, wind and sunshine ALL on the same day. Those are the days when it’s harder to get out and work your cookie booths. Girl Scouts of Kentucky’s Wilderness Road is challenging you to tackle those wacky weather days and be a Wacky Weather Warrior!

Highest Awards

The Girl Scout Bronze, Silver and Gold Awards are the highest honors a Girl Scout can earn for her age level. Through them, girls impact their communities, challenge themselves, and gain an edge after high school.

**Bronze Award**
The Girl Scout Bronze Award is the highest award a Girl Scout Junior can earn. Girls work together as a group to complete a service project that directly benefit the Girl Scout Community, or the girls' local community or neighborhood. These girls are in 4th or 5th grade.

**Silver Award**
The Girl Scout Silver Award is the highest award a Girl Scout Cadette can achieve and gives girls a chance to work with a small team or as an individual. Girls focus on projects that make lasting change in their communities. These girls are in grades 6th-8th.

**Gold Award**
The Girl Scout Gold Award represents the pinnacle of Girl Scout leadership progression. Open to Girl Scout Seniors and Ambassadors, this prestigious award challenges them to change the world by solving a community problem in an innovative and sustainable way.
The Gold Advantage

The Girl Scout Gold Award not only impacts the community where a girl lives but it also can impact the future of the Girl Scout who earns the award.

Gold Award Girl Scouts join an elite group of women. These women have not only gained courage, confidence, and character, but have demonstrated that they can work hard and change their world. Gold Award projects must be sustainable, meaning they will continue impacting the community long after the Girl Scout has completed her 80 hours of work.

These projects help girls develop lasting legacies from a young age. Earning a Gold Award doesn't just help a girl develop while she's in Girl Scouts, it helps her get ahead in life.

The Gold Award can help girls get college scholarships, stand out during the college application process, and enter the military at least one rank higher than other recruits. Proving once again that Girl Scouts is the best leadership development program for girls in the world.
The Bronze, Silver and Gold Awards are the highest and most prestigious Girl Scout awards and are the culmination of the Girl Scout Leadership Experience. Join us in celebrating the amazing young women of Girl Scouts of Kentucky’s Wilderness Road who have dedicated themselves to making the world a better place.
