2026 Fall Product Program

Join us for this year's Fall Product Program! NEW items include the Sweet Onion Stash Mix, new Girl Scout and Holiday tin, expanded candle selection, and more!

The Fall Product Program is a council-sponsored program that combines educational activities with money-earning opportunities for the troops. The Fall Product Program is directed toward family and friends - those closest to Girl Scouting - and enables troops to earn start-up money by selling magazine subscriptions as well as nuts and candy.

The Fall Product Program aims to encourage girls to look forward and see all they accomplish through this program while focusing on the 2 skills girls learn through the product sales programs.

- Encourage your girls to set troop goals and individual goals.
- Hold a family meeting and inform adults what the girls have planned for the upcoming sale.
- Collect a signed permission form for each participating girl in your troop.

Remember! The Fall Product Program is an opportunity for girls to learn and practice many life skills while having fun and making a difference in their troop, their council and their world!
