If at any time before sales start or during the sales period you have any questions or concerns, please do not hesitate to reach out to us at product@gswrc.org or 1-800-475-2621.

We have also set up an online form that will be monitored regularly during the sales period where customers, staff members, fellow girl scouts or business partners can submit any feedback they have regarding a cookie booth. Please share this link with your staff so they can share any important feedback that will help us to work together to make this a successful partnership.
