My Girl Scout _____, a member of Troop # _____ has my permission to participate in the 2027 Girl Scout Cookie Program under my supervision and/or the Girl Scout volunteer in charge. I will see that she has adult guidance at all times and I will respect the January 1, 2027 starting date for in person order taking and online sales start date.

I understand that my Girl Scout must be registered for the 2026-2027 membership year to participate.

I understand that my Girl Scout may NOT take order until this signed permission form is submitted in person or online to her Troop Leader or Troop Cookie Manager.

I understand that all girl-delivered cookies, including the gluten free cookie, sell for $6.00 per package this year. (Online Gluten Free and Dog Cookies will be priced differently.)

I understand that all items ordered must be picked up and paid for; including any additional cookies obtained after the initial order is picked up.

I understand that packages/cases of cookies cannot be returned.

I agree to accept full responsibility for all cookies and collection of money and I will assist her in making full payment to the Troop Cookie Manager by the set deadline. All online orders are paid via customer's credit card. In person orders are paid for at time of delivery.

I understand that outstanding accounts will result in legal action and/or be turned over to a collection agent, and I will be responsible for all legal/collection fees incurred.

Social Media Clarification Regarding Online Cookie Sales

I understand that girls should never post their last names, address, phone numbers or email addresses on an online platform.

I understand that girls may only post about their participation in the Digital Cookie program on social media sites that allow them to restrict access to friends and family (e.g. Facebook), and not to social media sites open to anyone (e.g. Craigslist, E-bay, Yard Sale Sites, Marketplace and neighborhood groups).

I understand that girls will only share their personal link to Digital Cookie with people they know in real life.

A girl's Digital Cookie account may be temporarily or permanently disabled at the discretion of Girl Scouts of the USA or our Council for any reason, including without limitation if there is a security-related issue, an issue realting to any content on a site, an inventory fulfillment issue or if sales or marketing activity goes viral or otherwise creates unanticipated disruption.

My Girl Scout has my permission to use Digital Cookie under the supervision of myself and/or the Girl Scout volunteer in charge.
