

## PINWHEEL FOR PREVENTION PATCH PROGRAM

2277 Executive Drive \* Lexington, KY 40505 \* 1-800-475-2621

Prevent Child Abuse Kentucky is a chapter of Prevent Child Abuse America dedicated to the prevention of child abuse in all its forms and to ensuring that every child in the state of Kentucky has a happy, healthy childhood.

### Mission

To Prevent Child Abuse through education, public awareness and advocacy which promotes positive parenting and healthy families where children are valued and loved.

### Goal

Prevent Child Abuse Kentucky is seeking to collaborate with Girl Scouts Troops throughout the state of Kentucky to create educational steps where members are given the opportunity to share public awareness through the planting of pinwheels (the national symbol for Prevent Child Abuse) during the month of April with the overall goal of earning a patch for this community service.

### Wear Blue Day

As a part of Child Abuse Prevention Month, we encourage all Girl Scouts to wear blue on April 6<sup>th</sup> 2018. Share your pictures with us in your blue on Facebook (Girl Scouts of Kentucky's Wilderness Road), Instagram (@kygirlscouts) and Twitter (@kygirlscouts). Use hashtag #WearBlue4KYKids and #kygirlscouts.

## Pinwheel Patch Steps

In order for a Girl Scout to earn the Pinwheel Patch the following steps need to be followed:

- 1. Site Selection:** Educate girls on the goal of the Pinwheel Gardens. During the educational process the Troop Leader will share the importance of the project. Discuss various sites where the pinwheels could be planted or displayed in their community and set a plan with the girls on who to contact and what they should share with the location about the Pinwheel Garden Project. To earn a Pinwheel Patch, you need to have at least one planting or display site in your community during the **month of April**. For more information, refer to the Prevent Child Abuse Kentucky website at [www.pcaky.org](http://www.pcaky.org).
- 2. Site Visitation:** Create a site contract plan during the month of March with a community location they feel is "visible" in their community. Girl Scouts will work with their Troop Leader to put together a verbal presentation to share with the site on the goal and objective for the Pinwheel Garden. Site Examples: Local schools, banks, parks, and churches.
- 3. Pinwheel Garden Agreements:** Work directly with a community site to set a time and date where the pinwheels will be planted.
- 4. Get your Pinwheels:** We encourage all troops to create your very own pinwheels. Visit : [https://www.pcaky.org/sites/default/files/inline-files/PCAK%20CAPM%20Tip%20Sheet%20-%20Pinwheels%20for%20Prevention\\_1.pdf](https://www.pcaky.org/sites/default/files/inline-files/PCAK%20CAPM%20Tip%20Sheet%20-%20Pinwheels%20for%20Prevention_1.pdf) Pinwheels are also available for troops to purchase at a discounted rate of \$12 per box of 40 pinwheels. Available, while supplies last. See enclosed form to make pinwheel order.
- 5. Pinwheel Planting:** Each girl should plant at least 5 pinwheels at the site. Share your pictures of the pinwheel garden with us on Facebook (Girl Scouts of Kentucky's Wilderness Road), Instagram (@kygirlscouts) and Twitter (@kygirlscouts). Use hashtag #CAPM2018 and #kygirlscouts.
- 6. Site Cleanup:** The Girl Scout Troop in charge of the site planting will be required to remove the pinwheels after the planting. It is the responsibility of the Troop to work with the site to set up a removal date. The goal is to have the pinwheels shown in the community for a minimum of two weeks.
- 7. Patch Order:** Troops must complete a patch order form to receive the patch. Patches can be ordered for \$1 per patch.

Our Troop agrees to the following terms in regard to the use of purchased pinwheels.

Please initial each term:

\_\_\_\_**We** agree to plant or display a Pinwheel Garden in a prominent place within the community

\_\_\_\_The number of pinwheels we use will NOT be equated with reports of child abuse or fatalities from child abuse. Pinwheels may be equated with general statement of support for great childhoods and healthy development. The Pinwheels for Prevention Campaign does not want to reinforce negative images that may be counter-productive to the symbol's image of hope, health and happiness. Pinwheels for Prevention is a registered U.S. trademark held by Prevent Child Abuse America (Reg. No. 2,800,287).

\_\_\_\_**We** will remove all pinwheels and any debris associated with the Pinwheel Garden by May 6,2018.

\_\_\_\_**We** will send a digital picture of the Pinwheel Garden via email to lchowning@pcaky.org.

\_\_\_\_**We** agree pictures of the Pinwheel garden can be used by Prevent Child Abuse Kentucky via social media and in future PR and publications.
